

# SHAKER

A fusion of traditional styling with modern materials to create a stunning array of options for your home

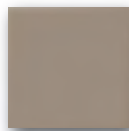

Oak frame with black glass

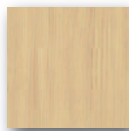

Available frame finishes:

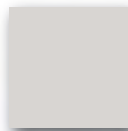

Cashmere

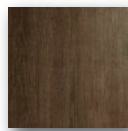

Stone Grey

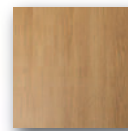

Verade Oak

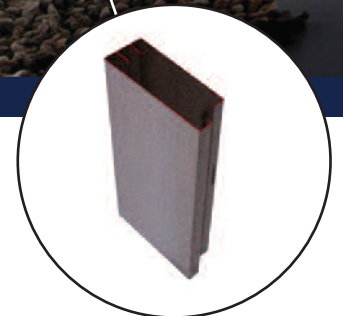

Dove Grey

Walnut

Windsor Oak

Shaker Frame

Shaker doors are made to measure using a sliding system. Fabricated to your individual specification, create a sleek floor-to-ceiling and wall-to-wall storage system that is simply stunning.

Choose from Maple, Oak or Walnut frames and complement with matching wood effect panels and our extensive range of coloured glass finishes and mirrors.

Traditional free standing wardrobes just cannot compete with the sheer versatility and extra storage.

# CONTEMPORARY

Clean, vertical and horizontal lines make our Contemporary range a fusion of modern and traditional design

Classic Frame

Use the classic frame finishes and complement them with matching cross strips to create a split door of your choice with a mixture of panels, mirror or coloured glass options - the combinations are endless.

The contemporary range is made to measure to fit your room, not your room to fit our wardrobes.

# CLASSIC

Full length mirrors or panels make our Classic range a stylish, traditional system for your home

Classic Frame

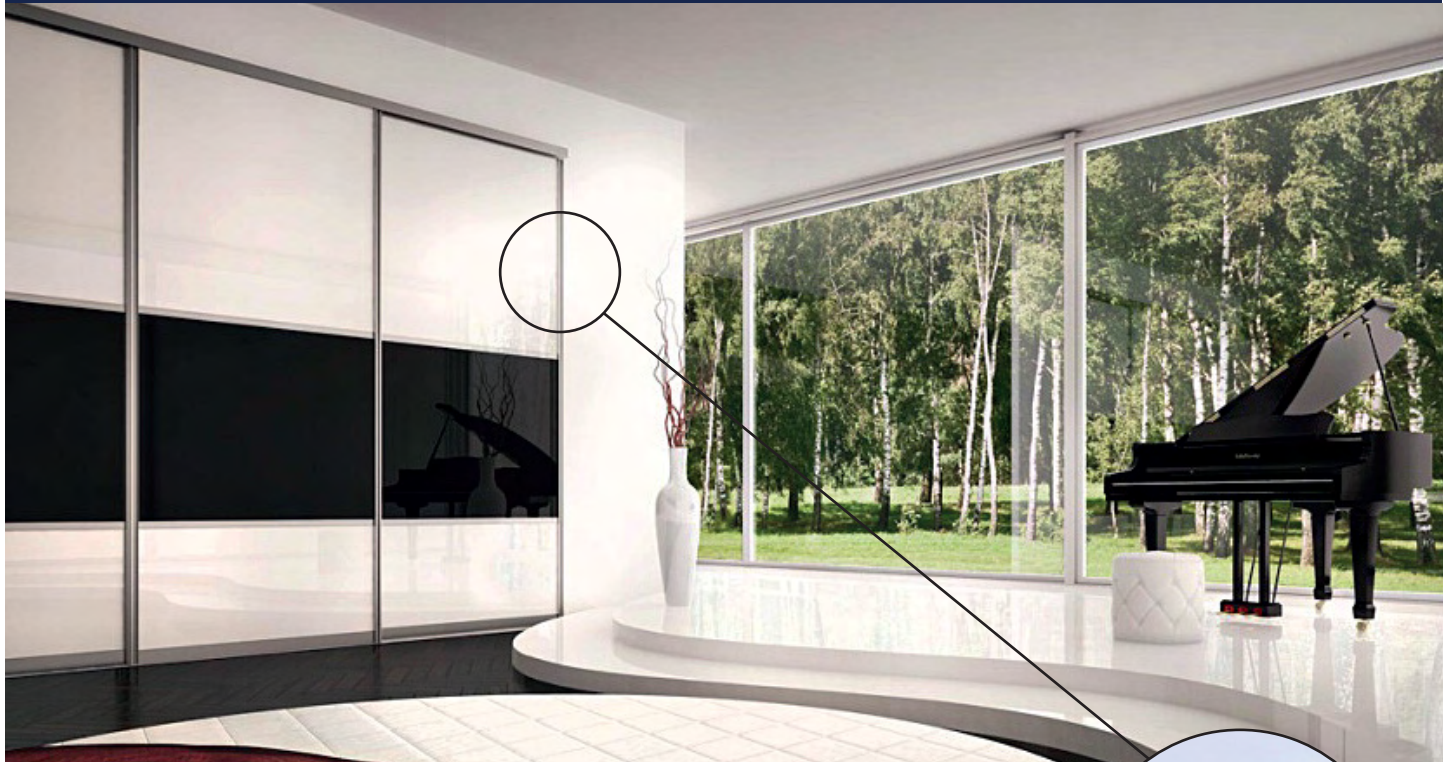

Our Classic range draws its inspiration from the past with a range of traditional styles. Still offering exciting designs and interesting combinations, the Classic range is less likely to date, creating wardrobes with a longer life and more relaxed style.

Use full length matching wood grain panels or mirrors to reflect traditional furniture and create a sense of space and comfort. Our Classic wardrobes add style to any bedroom. The Classic range is a made to measure range to fit your room, not your room to fit our wardrobes.

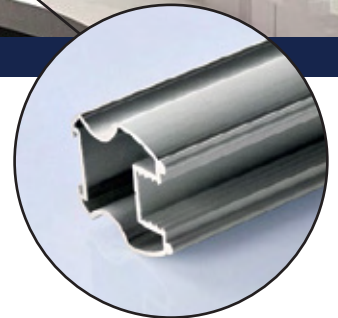

# ALUMINIUM

Our luxury collection offering stunning versatility to be enjoyed in every home and office
